

# Honeywell Avionics Protection Plan (HAPP)

Honeywell

- **Extend your avionics protection with Honeywell**
  - **Designed for both general aviation and business aviation, the Honeywell Avionics Protection Plan (HAPP) is an extended warranty program that offers full coverage of your avionics.**
  - **The HAPP program replaced both the HSPP (for business aviation market) and the Confidence Plan (for general aviation market).**

*HAPP takes the uncertainty out of avionics maintenance*

- **Your Advantages**

- **24/7 Aircraft-On-the-Ground (AOG) emergency services**
- **Full coverage on exchange and repair services through Honeywell or one of its authorized service centers/dealers**
- **Paid air-freight for any repair, loaner or exchange**
- **No-charge loaners available**
- **Fixed price with an annual contract**
- **Transferable contract**
- **No Buy-in**

*Full coverage on exchange and repair services*

# HAPP: Unmatched Global Support

- Take the uncertainty out of avionics repair and maintenance costs
- Quick service
- Global support
- Honeywell quality
- Honeywell OEM and authorized service center expertise
- Factory-backed support identical to your original factory warranty

*Peace of mind*
