

QUALITY & COMPLIANCE

Quality is the core of a successful organization.

United Aero Group is an ISO 9001:2015 and AS9120B certified organization. Because we understand the critical nature of aviation products we back them with programs to provide complete assurance that we take quality very seriously

Our focus is on constantly striving to improve our systems and procedures to ensure that our customers have the best possible experience each time they choose United Aero Group as a source for their parts or service needs.

ACCREDITED
MANAGEMENT SYSTEMS
CERTIFICATION BODY

US Department of State

We are registered and in good standing with the Directorate of Defense Trade Controls: US State Department, and adhere to the requirements set forth by International Traffic in Arms Regulation (ITAR)

US Department of Commerce

We adhere to all Export Administration Regulations (EAR) set forth by the Bureau of Industry and Security: US Department of Commerce.

Dangerous Goods / Hazmat Shipping

United Aero Group team members are trained and tested in the transportation of Hazardous Materials in accordance with the requirements of the U S Department on Transportation, 49CFR, Part 172, Subpart H.

OSHA

OSHA Training

United Aero Group team members have all completed OSHA for General Industry courses and are trained and certified to operate any specific equipment or machinery needed to successfully complete their specific job requirements.

Dedicated Export Compliance Department

At United Aero Group, we understand that exporting of advanced technology is not a right, but a privilege. We are committed to full compliance with trade regulations and complete adherence to trade policy and export regulations is a central part of the training received by every team member.

We invest the time necessary to truly understand what is required and are frequently asked to assist our peers. Every procedure is checked against regulations, documented, and supported on an ongoing basis through a robust export compliance program that is led by our own International Trade Certification™ (ITC) Certified United States Export Compliance Officer.
